

FEB. 7, 2018 PRESCRIBED BURN WORKSHOP

Learn how prescribed burns can improve your land!
Kentucky's Prescribed Council will lead a training on how to safely use prescribed, or controlled, burns to protect your land from invasive species, and improve your forest, field, or agricultural land. You will learn basic knowledge on how to safely, legally, and effectively implement a controlled burn.

\$75 registration fee (\$50 for students) with valid ID includes certificate of participation, pesticide and arborist CEUs, and
FREE LUNCH!

To register* or for additional information, call the Boone County Conservation District office at 859-586-7903 x3 or email meganclere@bccdky.org

**Must register by January 24th (late registries will be approved by Megan Clere until February 2nd). Cash or check only. Make checks payable to Kentucky Prescribed Fire Council.*
